

PBS LearningMedia Videos

[PBS LearningMedia](#) has a plethora of videos (many listed below) available to educators to use when teaching all aspects of media literacy. To access these videos, and many more, go to your local PBS station's website and look for the link, typically listed in education resources. [NOTE: more titles will be added to this site as they become available. See also my previous compilation of [suggested videos](#) for teaching media literacy.]
