## Survey & Evaluation

Survey & Evaluation: Frank Baker's Media Literacy Presentation

1. What additional information do you need in order to feel comfortable teaching media arts/media literacy?

2. Frank Baker has organized a one-day professional development (hands-on) workshop.

Would your school or district be interested in hosting it?

3. Would you, your school, or district pay \$25 for you to attend a full day workshop?

4. As a result of today's presentation, will you:

– download and read the support document Frank referenced?

– download the other media arts support documents from SCAAE's website?

– begin to incorporate elements of this new standard in your classroom?

5. Please add any additional comments in the space below.

They will be compiled

and shared with both Scot Hockman as well as SCAAE.
